

Cutting The Parts

- Grey areas are not used.
- All measurements are in cm.
- Measure, mark lines for cuts, then cut with paper cutter.

Assembly diagram on back

Assembly

- Assemble with overlaps as shown.
- Use hot glue (from the outside) to temporarily tack down edges.
- Add tape to make sure that edges meet.
- "Caulk" the insides of edges with white glue.
- Write your name on your oven and leave it to dry.
