

Draw the climates of the continent on the right. Then answer these questions

1. Which letter(s) is(are) in a high pressure belt?  
FGHI
2. Which letter(s) is(are) in a low pressure belt?  
LM
3. Which letter(s) is(are) in a major (most of the year) rainforest?  
L, M
4. Which letter(s) is(are) in a major (most of the year) desert?  
G, H
5. Which letter(s) is(are) in a "coastal wet" climate?  
E, B, O
6. Which letter(s) is(are) in a "rain shadow wet" climate?  
K
7. Which letter(s) is(are) in a "rain shadow dry" climate?  
J
8. Which letter(s) is(are) in a "humid" climate (that is not also wet for some other reason).  
C
9. Which letter(s) is(are) in a Summer Wet / Winter Dry climate?  
N
10. Which letter(s) is(are) in a Summer Dry / Winter Wet climate?  
D
11. Which letter(s) is(are) in warm ocean water?  
I, P, Q
12. Which letter(s) is(are) in cold ocean water?  
F, A

Draw the climates of the continent on the right. Then answer these questions.

1. Which letter(s) is(are) in a high pressure belt?

I J K L M N

2. Which letter(s) is(are) in a low pressure belt?

C D

3. Which letter(s) is(are) in a major (most of the year) rainforest?

C D

4. Which letter(s) is(are) in a major (most of the year) desert?

J K

5. Which letter(s) is(are) in a "coastal wet" climate?

H B O

6. Which letter(s) is(are) in a "rain shadow wet" climate?

G P

7. Which letter(s) is(are) in a "rain shadow dry" climate?

F Q

8. Which letter(s) is(are) in a "humid" climate (that is not also wet for some other reason).

R

9. Which letter(s) is(are) in a Summer Wet / Winter Dry climate?

E

10. Which letter(s) is(are) in a Summer Dry / Winter Wet climate?

None

11. Which letter(s) is(are) in warm ocean water?

A N

12. Which letter(s) is(are) in cold ocean water?

S I
